I am available to speak at 2 pm EDT if that works. But not sure how that relates to my email to Adam or the pending motion. Our response to your motion is due today, and we never heard back.

Sorry for delay here, Brant. Been a very busy stretch. Let's discuss on Monday. I'd need to know more because for such a mediation to be fruitful, we need to have a better sense of expectations. We're really far apart right now.

Have a great 4th!

Amjad – Did I hear that your client would be interested in attempting a mediation? If that's right, would you like to chat briefly regarding the option?
